

Giving back ...at any age...

“I didn’t think twice of where I’d donate the money once I won the draw” said Brody Wicki, a UNBC JDC West participant and student returning to his final year at UNBC.

Thank you!

Brody Wicki is a 22 year old student who was born and raised in Prince George and will be receiving a Bachelor of Commerce degree with Accounting/Finance majors upon graduation from UNBC in the Spring.

For 3 years now he has worked with Deloitte LLP during the summer, most recently as Staff Accountant, Audit and Assurance. He plans to return following graduation to complete his CPA.

Last year in addition to full time studies he served as a Co-Captain for the JDC West Team at UNBC. His years competing with JDC West introduced him to business but also the business of philanthropy. It was here where we met Brody who worked together with team mates on Chillin’ 4 Charity, a fundraiser that annually provides a donation of close to \$10,000 towards the area of greatest need through a partnered approach between their team and the Spirit of the North Healthcare Foundation. Students are given the chance to apply their knowledge in real world business situations while also developing networking, critical thinking, and leadership skills, preparing them substantially for after graduation.

Coaches, judges, and alumni are given the opportunity to support the future of business in Northern BC by shaping the minds of the best and brightest commerce students. In addition to fundraising, Spirit of the North has been able to participate through Coaching in the Not-For-Profit Sector and currently have 2 board members and the CEO who have made the commitment to work with these aspiring young individuals.

Thank you Brody for giving back!

Brody Wicki stopped by to present \$160, his winnings from a work related fundraiser at Deloitte, LLP to Esther Prosser, Community Engagement Coordinator
